

High Tea

High Tea is the ultimate Neverland experience. The array of finger sandwiches and pastries will delight the senses and have you proclaiming each one is the best you've ever had until you move on to the next. It's an ever-evolving tower of decadence.

We serve only the best clotted Devonshire cream and make almost everything in-house, we even made the towers! As with most in-house items we are proud to offer gluten and dairy omitted versions of our high tea.
