

**Disclaimer:** Neverland Tea Salon makes every attempt to identify ingredients that may cause allergic reactions for those with food allergies. Every effort is made to instruct our food production staff on the severity of food allergies. In addition, we label items with possible allergen-containing ingredients; however, there is always a risk of cross contamination. Please be aware that our facility prepares foods and uses ingredients in our products that contain nuts, this includes some teas. Please ask your server or consult with our manager or chef should you have any questions on any items.
